Maley's JOGLE

Event: JOGLE 2012 (Fri 20th April to Sat 5th May 2012)

Donate Now

Amount raised so far
£3,507.78

Fundraising target
£3,000.00

Sean's Personal Message:

On 20th April 2012, I will be attempting to run the length of Britain from John O'Groats to Lands End in 16 days.
Covering 860miles, the JOGLE Ultra brings a whole new level of endurance to running.

THAT'S MORE THAN TWO MARATHONS A DAY FOR 16 DAYS!!

Only three people have conquered the event so far and this year will see me set off with 14 fellow challengers.

<http://www.ultrarace.co.uk/events/details/?eventid=108>

I'll be raising money for MS Society Scotland and Kidney Kids due to personal/family connections with people affected by these conditions.
ALL MONEY RAISED WILL GO TO CHARITY. So please dig deep and support two great causes!!

If anyone would like to sponsor me by number of miles or days completed - Please get in touch by e-mail. I will provide a list of people who have donated online.
maley63@hotmail.co.uk

MS Society Scotland is the leading charity in the country dedicated to beating MS.
Scotland has one of the highest incidences of MS in the world and they have made it their mission to beat it.
The charity raises awareness of MS, make it a priority at political level and provide support and information to people affected by MS around the country.

Kidney Kids Scotland is dedicated to helping children with renal and urology problems.
The charity's main objective is to enable children to receive treatment as close to home as possible, minimizing the disruption to the family unit.
The charity supports hospitals all over Scotland supplying them with much needed equipment and funding for posts recognized as being essential.

During the event I plan to update my progress through facebook, twitter and e-mail.

Thanks again for your support!
